PROFESSIONAL SUMMARY

Results-oriented Data Analyst with hands-on experience in data cleaning, data modeling, statistical analysis, and business intelligence reporting. Skilled in Python, SQL, Power BI, Tableau, Excel, and Machine Learning to build interactive dashboards and translate complex datasets into actionable, data-driven insights.

TECHNICAL SKILLS

Data Analysis & BI: SQL, Power BI, DAX, Tableau, Excel, Cognos Analytics, KPI Reporting, Data Visualization, Data Modeling, Data Cleaning, Statistical Analysis

Programming & ML: Python, Java, JavaScript, Machine Learning, Predictive Analytics, Flask

Development & Tools: React, Node.js, HTML, CSS, Bootstrap, Chart.js, Git, REST APIs, Microsoft Office

Professional: Stakeholder Management, Cross-Functional Collaboration, Data-Driven Decision Making

INTERNSHIP EXPERIENCE

Data Analyst Intern

09/2025 – 10/2025

NoviTech R&D Private Limited

- Performed data cleaning and analysis using Excel, SQL, and Power BI to build interactive dashboards, presenting business trends and insights to internal stakeholders.

Data Science & Data Analytics Intern

05/2025 – 07/2025

Innovate Intern (Hexaind)

- Applied Python, SQL, Tableau, and Machine Learning to clean and model datasets, performing statistical analysis to build predictive models during an 8-week internship.

AI & Full Stack Developer Intern

12/2025 – 04/2026

Kambaa Incorporation

- Built role-based enterprise applications including a Petty Cash system and an AI-driven Notes Maker and Knowledge Base platform with chatbot and access control.

Machine Learning Intern

05/2026 – 05/2026

Adroit Technologies Innovative Career (IBM Career Education)

- Developed and deployed an AI-powered Equipment Failure Prediction System using Machine Learning and Flask for proactive maintenance.

Data Analyst Intern

06/2026 – Present

Bluestock Fintech

- Deliver business insights through financial and operational data analysis, KPI reporting, and interactive dashboards for cross-functional stakeholders.

PROJECTS

AnalystOS – Career & Placement Management System | *Python, Flask, SQL, JavaScript*

- Built a personal career management platform consolidating placement preparation, tracking, and progress visualization into one dashboard.

Mutual Fund Analytics Dashboard | *Investment analysis platform*

- Built a fund analytics platform for investors using historical performance, risk metrics, and portfolio statistics dashboards.

AI Equipment Failure Prediction System | *Python, ML, Flask*

- Built a predictive maintenance platform with end-to-end ML workflows to forecast equipment failures in real time.

Petty Cash Management System | *React.js, Node.js, MySQL*

- Built a full-stack expense tracking system with RESTful APIs and transaction monitoring for accuracy and efficiency.

Knowledge Base Portal | *React.js, Node.js, MongoDB*

- Built a full-stack knowledge system with search and content management to centralize organizational knowledge.

Additional Projects: EarthQuake Alert System (IoT, C); Canteen Management System (Node.js, MySQL); Internship Tracker Dashboard (BI & Analytics); Travel Website (Tourism Platform).

VIRTUAL EXPERIENCE

Deloitte Australia – Data Analytics & Cyber Job Simulations (Forage): Performed data cleaning, analysis, and visualization; analyzed cybersecurity scenarios and applied incident response principles.

EDUCATION

CS with Data Analytics — CGPA: 9.0

2024 – 2027

Sri Ramakrishna College of Arts & Science for Women, Coimbatore

CERTIFICATIONS

Data Analytics & BI: IBM – Data Analysis with Python | IBM – Data Visualization | IBM – Python for Data Science | IBM – Business Intelligence | NoviTech – SQL

Professional Services: Monday.com – Professional Services Roles Certification Pathway

AI & Automation: GUVI – Generative AI | UiPath Academy – Automation Developer Associate Training

Programming: GUVI – Python Programming | Infosys – C Programming 101 | Infosys – Computer Fundamentals

SOFT SKILLS

Analytical Thinking | Problem Solving | Critical Thinking | Communication | Attention to Detail | Teamwork
